

SCHOLARSHIP

MORE THAN AN EDUCATION OPPORTUNITIES FOR LIFE **PLUS**

2021 ANNUAL REPORT

*a scholarship,
plus so much more*

THANK YOU

Dear Scholarship Plus Community,

Many scholarship programs open the door for students. Few step through that door with them. Thanks to you, 60 extraordinary first-generation students are currently navigating college — and making their mark in the world.

For students from low-income households, countless invisible costs threaten to end their education before it begins. Your support this year and over the last 12 years is the reason that undergraduates can follow their dreams to become tomorrow's scientists and artists, doctors and social workers, lawyers and engineers.

You're there for the critical tuition that gets students into school, and for the support that gets them through it and helps them thrive.

This community covers day-to-day necessities—secure housing, winter coats, glasses and comforters — and extraordinary expenses like medical emergencies and the need to find safe havens.

Your contribution results in care packages that make scholars feel seen. Calls and texts that make them feel heard. Internships that ensure there are more seats at more tables for our undergraduates and alumni.

Your tireless support continues beyond college, with the joy of a job offer, the promise of a bright future and the enduring connection to this community.

You've helped ease so many students' burdens. 12 years. 112 students. 100% graduation rate. Thank you for making Scholarship Plus a part of your life — and for changing lives, too.

In partnership,

Kate

OUR MISSION

Scholarship Plus supports New York City high school graduates from low-income households through the full journey of college with a **four-year scholarship**, plus a network that opens opportunities for life.

HOW WE DO IT

Our distinct approach provides a substantial financial scholarship PLUS individualized support—one without the other is not enough.

The Scholarship

We help students obtain the strongest possible financial aid for college, and fill the gap with a substantial four-year scholarship to avoid loans.

This enables scholars to graduate DEBT-FREE, on time, and hit the ground running with their degrees.

Only 16% of students from low-income backgrounds graduate college nationally, and financial hardship is the number one reason.

SPlus is one of the only college success programs that offers financial support.

The PLUS

COLLEGE PREP

We cover everything from time management to managing microaggressions.

PERSONAL & ACADEMIC MENTORSHIP

We monitor each student's progress, and connect them to additional resources.

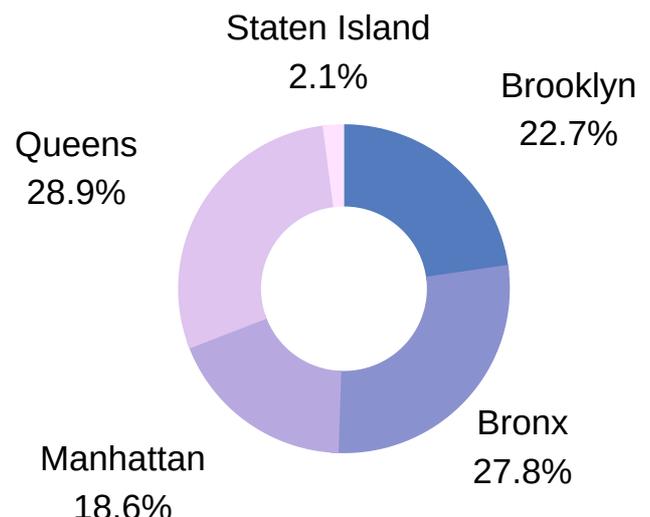

INTERNSHIPS & CAREER SUPPORT

A summer masterclass series prepares students for paid internships with our partners.

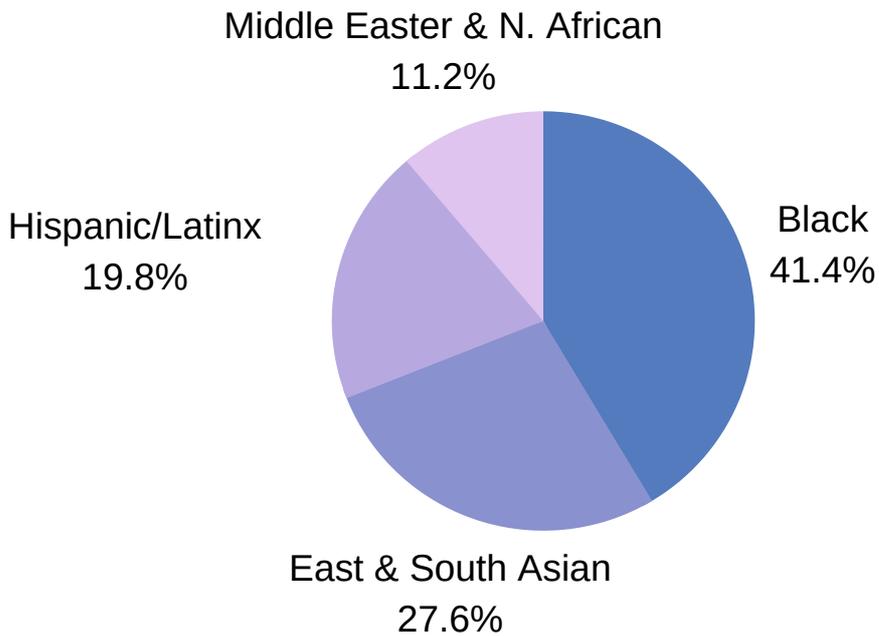

MENTAL HEALTH & WELLNESS

Community hours, wellness workshops and a full-time social worker on staff provide holistic support.

We select high school graduates from all 5 boroughs
